

Rivendell Parents List-Serve

Guidelines and Steps to Join

The Rivendell List-serve is a great way to stay connected to and supportive of other Rivendell families. Once you have joined, you'll have access to the online Rivendell community via one email address: RivendellParents@yahoo.com.

Uses:

1. RivendellParents@yahoo.com was created in January 2006 to offer another way to help parents and teachers fill gaps for help needed at the school. It is a way of reaching many potential parent volunteers quickly and efficiently.
2. A secondary use is to share information about other activities, programs, and needs at the school.
3. Over time, a third use has surfaced: the sharing of information about non-Rivendell programs and activities that may be of interest to Rivendell parents and staff. These postings have ranged from job openings to offers for free hamsters.

Guidelines for Use:

1. Feel free to use RivendellParents@yahoo.com as often as you'd like for items pertaining to #1 or #2 above. These directly relate to the school in communicating how the parent community can participate and help. It is the primary purpose of this Yahoo group. *Please note: If you need a core hours sub, please start with our sub list and contact individuals directly to be sure your place gets filled. If your spot is filled from the list-serve, please notify the list-serve that the position was filled and notify the school Office about your replacement.*
2. Use discretion when posting items relating to #3 above. We want to avoid overuse of our RivendellParents@yahoo.com group. If we abuse the use of our list-serve it will quickly be ignored and then fail to fulfill its primary purpose.
3. Avoid "reply all" if your response is directed to an individual.
4. Refrain from using the list-serve for solicitations or fundraising not related to Rivendell. There are some great causes out there, but send your information privately, not on the list-serve.
5. If you have a prayer request, please forward it to our Intercessors team instead of using the list-serve.

How to Join:

Request an invitation by email to: RivendellParents-subscribe@yahoo.com.
