

Hello brand new Second Graders!

Welcome to Second Form! Your teachers are so excited to meet you and start our *Year of Surviving and Thriving in New Worlds!*

Math - Complete the **math review pages** at your own pace over the summer. This section is required to help maintain the math foundation they have worked on all year in 1st Grade. If you prefer to do it all at one time instead of spreading out over the summer, wait until August so the math is fresh in their minds.

Writing - Mrs. Hampton sent home a brand new journal for summer writing! Use the paper attached called "Journal Writing Prompt Ideas" to inspire you to write over the summer. You will share one journal entry in the first week of school. Remember your CUPS (Capitalization, Understanding: finger spacing between words and correct letter formation, Punctuation, and Spelling)! Try to write a minimum of 4 sentences per journal entry.

Reading - Over the summer, we encourage you to visit your local library and start exploring some of the topics we'll dive into together next year. Here's a sneak peek at our upcoming units:

 Creation Unit	 New World (Early Colonial Life)
 Character Matters (Things made of Matter, and how character matters)	 One Nation Under God (Intro to the American Revolution)
 Walk a Mile in Someone Else's Shoes (Continents of the World)	 Shakespeare Mini Unit
 Plant Kingdom	

We can't wait to embark on this amazing adventure with you. So grab a book (or three), let your imagination roam, and get ready for a year of exploring new worlds!

With excitement,
Your Second Form Teachers

2nd Form Optional Journal Writing Prompts

Start your summer journal off by writing about three things you want to do with your family during summer vacation.

- What are you looking forward to the most about summer?
- Your younger sibling is going to be starting kindergarten in the fall. Write a letter to them about what they will be doing at school each day.
- Write about your favorite book that your teacher read to you in first grade. Why was that your favorite book? Did you have a favorite character?
- Imagine that you are going camping this summer. Write a packing list, and explain why you need to bring those items with you.
- Write a fictional story about two friends who are playing on the playground on a summer day.
- Write a story about a 2nd-grade student who found out a friend was feeling sad. How did that make your character feel? What did they do to help their friend feel better?
- If you could use any mode of transportation to get to school each day, what would it be? Why would you choose that type of transportation?
- You are planning to go on vacation with your family, but you have to leave your family pet behind. Your neighbor is going to take care of your pet for you while you are gone. Write directions for how to care for your pet each day.
- What would you do if you had the opportunity to be the teacher for the day at school? What rules would your classroom have? What subject would you teach?
- What would you do if your summer vacation was a trip to space? Where would you want to go? What would you want to do once you arrived at your galactic destination?

2nd Form Optional Journal Writing Prompts

- Who is your favorite person? Describe them. Why are they your favorite person?
- Write about your least favorite rule in your house. Then, write three reasons why you think your parents should get rid of that rule.
- Write a letter introducing yourself to your 2nd grade teacher.
- What do you think is the best thing to do on a summer day? Describe it in detail using a lot of adjectives.
- Ask your parents what they used to do on their summer vacations. Is your summer vacation experience similar or different? Do you wish that you lived in the same time as your parents or do you like living in this time period?
- Write directions for how to make your favorite lunch. Don't forget the snacks and drink!
- Write a fiction story about the summer fair. What do your characters do at the fair? What is the problem in your story? Don't forget to include your solution.
- What would you do if you heard the ice cream truck coming down the street right now? What ice cream would you choose? How do you think it would taste?

Problem Solving

Solve.

- 54.** Jamal has 20 stamps.
Michelle has 4 fewer stamps than Jamal.
How many stamps does Michelle have?

Michelle has _____ stamps.

- 55.** Nate blows up 30 balloons for his birthday party.
Nate blows up 6 fewer balloons than Miguel.
How many balloons does Miguel blow up?

Miguel blows up _____ balloons.

- 56.** Rose buys 3 sets of hairclips.
The first set has 3 pink hairclips.
The second set has 8 blue hairclips.
The third set has 4 white hairclips.
How many hairclips are there in all?

There are _____ hairclips in all.

Name: _____

Date: _____

- 30.** Look at the picture.
Then write the number in words.

- 31.** Order the numbers from greatest to least.

75	41	18	29
----	----	----	----

_____ , _____ , _____ , _____
greatest

Circle the two numbers that add up to 4 tens and 4 ones.

- 32.** 24 27 51 30 17

Add the 2nd and 5th numbers.

33.

37	20	19	62	45	83	51
1st						

- 34.** Subtract 6 tens 4 ones
from 8 tens 2 ones.

Count on to find the value.

18.

Add.

19.

$$25¢ + 17¢ = \text{_____} ¢$$

Complete.

20.

$$45¢ - 15¢ = \text{_____} ¢$$

21. Subtract 18¢ from 90¢

$$\text{_____} - \text{_____} = \text{_____} ¢$$

Problem Solving

Solve.

22. Draw the least number of coins needed to make 64¢.
